Dear [REDACTED]

Your fact-studded lecture on the Soviet Economy gave our students a very interesting and intellectually profitable morning. Both the faculty and students have commented on the wealth of factual data and on the clarity of the analyses which you presented in the after-lecture conference.

We are very grateful for your contribution to our course. I hope that you will be able to return at a future date.

Sincerely,

EUGENE A. SALET

Major General, United States Army  
Commandant
